EXCELLENCE**

Greetings!

As part of this year's music curriculum, 3rd, 4th, and 5th Graders will be learning to play the recorder starting in January. The recorder presents a wonderful opportunity to introduce music reading and appreciation. I hope that by giving the students a positive, enjoyable learning experience they will be encouraged to develop an interest in music.

Macie Publishing Company, the publisher of the recorder materials we will be using, has made some special pricing available, which is listed below.

It is not required that a student purchase a recorder or the method book. Students may use recorders that they already have from previous years. In addition, most of the music we will be working on will be available on <http://nebomusic.net/onlinerecorder.html>.

Please have your child return the order form and money to Mr. Michaud during their assigned music class time. You may pay in cash or a check made payable to Nebo Elementary School. Do not give money to the office or your child's homeroom teacher. Recorders and books will only be available from Mr. Michaud during music class time.

Please call or e-mail me if you have any thoughts or questions.

Mr. Michaud
